These Standard Terms and Conditions for Participating Customers and the Customer Participation Agreement (collectively, the “**Agreement**”) are made and entered into by and between CLEAResult Consulting Inc., a Texas corporation and/or an affiliate thereof (“**CLEAResult**”), and Customer for the purpose of evaluating and installing energy efficient measures (“**EEM**”) under the Program funded by Sponsor. CLEAResult and Customer may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.” The Parties acknowledge and agree that the Bonneville Power Administration, as applicable (“**BPA**”), Sponsor and Contractor are third party beneficiaries of this Agreement. In consideration of the mutual covenants and agreements set forth below, the adequacy and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

- 1. ACCESS AND PARTICIPATION.** Customer agrees to support CLEAResult and Contractor and assign a representative to facilitate services provided under this Agreement. Customer agrees to allow CLEAResult and Contractor to access its facilities, energy use and cost information for the purposes of implementing this Agreement. If Customer is a tenant, Customer represents that by signing this document they have obtained the property owner’s permission to install EEM under this Agreement. Customer agrees not to use the name or identifying characteristics of Sponsor or its contractors for any advertising, sales promotion, or other publicity of any kind. Customer also confirms that it has not and will not receive rebates, incentives or services for any measures installed under this Program from another program funded by Sponsor. The Program may be modified or terminated without prior notice and this Agreement is subject to modifications by Sponsor.
- 2. ELIGIBILITY.** Sponsor determines eligibility of Customers at its sole discretion. CLEAResult may request verification of eligibility requirements at any time during the Program period.
- 3. INCENTIVE PAYMENT.** Customer acknowledges that incentives will be paid by Sponsor only if: (a) Customer(s) and installed measure(s) or services meet the Program eligibility requirements and the requirements outlined by the Program; (b) measures are installed in eligible project sites; and (c) measures are installed at a project site that has not received incentives from any other of Sponsor’s energy efficiency programs for the same measure(s). Customer understands that Sponsor, in its sole discretion, may withhold incentive payments committed to Customer if a project site is proven ineligible or a project otherwise does not comply with the requirements set forth by the Program. Customer acknowledges that the incentive amount may not exceed the cost of the EEM. Customer agrees to refund a prorated portion of any rebate if Customer does not leave the measure installed for the total Measure Life or if Customer ceases to be a Peninsula Light Company customer. Customer agrees to cooperate with CLEAResult, Contractor, Sponsor and BPA, as necessary. Customer also agrees to remedy any issue arising from auditing and monitoring results at no additional cost within the timeframe provided by the Program. Customer understands that any incentives may be withheld if Customer refuses to participate in any required verification within a reasonable period. Customer verifies that all EEM are installed in accordance with all applicable federal, state and local laws and manufacturer’s specifications.
- 5. CONFIDENTIALITY.** CLEAResult shall keep Customer information confidential. Only Contractor, Sponsor and the PUC shall be granted access to Customer data as needed or required. CLEAResult will not use the name or identifying characteristics of Customer in advertising sales promotion or other publicity without Customer’s written approval.
